

NGUYEN, NAMCA

OBJECTIVE My objective is to gain experience, plain and simple. More experience means more opportunities.

SKILLS & ABILITIES

CUSTOMER SERVICE

I have product knowledge in all areas of my interests and, as a quick and eager learner, can easily gain product knowledge in other fields.

I have been known to give good advice to my friends when they are making purchases for longboards, computers, electronics, etc.

ATHLETISM

I participate in many high intensity and demanding sports and activities such as Soccer, Longboarding, Cycling and, Track and Field.

COMMUNICATION

I speak well and can get people's attention. I speak three languages: English (native), French and Vietnamese.

EDUCATION

LAKEVIEW SCHOOL

June 2013 - Completed Elementary School with good grades and progress.

EXPERIENCE

FUND RAISING

MS Bike tour

Has been participating in the MS bike tour (biking to the Viking tour in Manitoba, Stonewall - Gimli, 80km each way) since I was 10 years old and raised over \$2,000 for Multiple Sclerosis over the last four years.

TRAVEL

Australia, (September 11 2007-June 08 2008)

I spent 1 year in Australia and completed a grade of education.

Vietnam

Has spent numerous months throughout the years in Vietnam and has knowledge and experience in third world countries and areas of poverty.

Other Countries

In addition to Australia and Vietnam, I have been fortunate to visit many different places: Los Angeles, Phoenix, Seattle, Hawaii, Las Vegas, Salt Lake City, Hongkong, Cuba.

HOBBIES

LONGBOARDING

I am very active in the local longboarding community and spend lots of time at local hills and spots.

GAMING

I am a competitive gamer and compete and follow the MLG pro circuit.

CYCLING

I am an avid cyclist and spend lots of time completing charity events and tours throughout summers.

SOCCER

I have played soccer for many years and I am currently playing U14 (second division). I have many accomplishments in soccer, which includes a Silver Medal at a provincial tournament (Moose Jaw, June 28-30, 2013).

PIANO

I have been learning and playing piano for 7 years.
